Please note that these prices are for events in the general Pittsburgh, PA area. Prices are subject to change and additional hotel and/or travel fees may apply.

Airbrush Back Packs: Artist creates customized airbrush designs on 14 x 18-inch nylon, drawstring back packs as guests watch. The back packs are constructed of durable, water-resistant nylon and drawstrings and offered in your choice of three vibrant color choices. One artist can complete 14 to 16 backpacks in 60 minutes.

Airbrush Pillowcases: Artist creates designs on standard-size white pillow cases from the design of choice (picked from the display or custom per request) with artwork done in a variety of colors. One airbrush artist can complete 12 to 14 pillow cases per hour. The event includes all the needed airbrush supplies and pillowcases.

Airbrush License Plates: Talented artists create customized vanity license plates using the airbrush technique. The artwork is done on a standard-size aluminum plate and can feature a name or initials airbrushed with a border in your choice of color to compliment your vehicle. One artist can produce 10 to 12 plates an hour.

Airbrush Sweatpants: Artist creates customized airbrush designs on gray sweatpants with initials, names, slogans or personalized designs in multicolor, permanent airbrush paints as guests watch. One artist can complete 15 to 18 pairs of sweatpants in 60 minutes.

Airbrush T-Shirts: Artist creates customized airbrush designs on T-shirts for guests as they watch. Guests can choose from a variety of original designs and personalized name options, created by the artist in multicolor, permanent, airbrush paints.

Airbrush Tattoos: The airbrush artist offers hundreds of temporary tattoo designs to choose from including classic motifs, wrist and ankle bands, belly art, symbols and Celtic designs.

Airbrush Trucker Hats: Artist creates customized airbrush designs on foam front, mesh back trucker style hats as the crowd watches. Choose from a variety of original designs that can be personalized with names and created in multicolor, permanent airbrush paints. Up to 18 to 20 hats can be produced by one artist in 60 minutes.

Alpha Art: Design your own artwork with these cool letter photos and spell any word you want! Participants have over 150 letter designs to choose from, as well as a choice between white and black mattes with three to six letter openings.

Art Madness George Williams: Artist George Williams paints “action portraits” live at your event. Crowds watch an image emerge as George paints at an amazingly high speed to a musical soundtrack, completing a single portrait within the length of three to five songs! George offers hundreds of different styles of paintings to choose from or you can have him customize a painting to your specific request. The artwork is yours to keep.

Almost Legal Graffiti: Skilled artist creates one-of-a-kind graffiti art onsite, customizing a unique design that is yours to keep and display. The graffiti is created on two 4 x 4-foot boards that can either be one continuous piece of art, or two separate pictures featuring the school/organization’s name, slogan or logo. The artist encourages the crowd to try out their skills on two additional boards.

Dance Heads - Boogie Body Dancing: Choose a music video, then bob your head along with the beat of song. Using state-of-the-art “Green Screen” technology, guests’ heads are superimposed onto professional dancer’s bodies as they sing along to some of the greatest pop hits of all time. A memorable DVD of the performance is given to each guest to take home, along with a Master DVD of all the performances.

Dream Interpreter: This fascinating study of the subconscious mind leads to motivating and empowering dream interpretations that offer an intimate insight into everyday problem solving. Through discussion of your dreams, the interpreter can offer suggestions on how to create opportunities for your own personal and professional growth.

Enchanted Charms: Make your own charm using a unique inkblot technique. Choose from a variety of vibrant colors, shapes and sizes – charms take about five minutes to create from start to finish. The event attendant will trim and attach the desired key rings, necklace loop or pin back, and place in a plastic bag with simple instructions on how to bake the charm for 15 minutes to harden.

Fantasy Masks Face Painting: Talented artist with a unique flair creates amazing and fun fantasy face mask from the whimsical to the wild. Choose from a variety of selections from dramatic jungle animals or sparkle-enhanced fairy style artwork.

Flip Flops: Guests work with our skilled attendant to create their very own, one-of-a-kind pair of Flip Flops, choosing from several colors and over 100 accessories including a variety of embellishments, fabrics and jewels. Up to 100 sets of flip flops can be created in a 4-hour time frame and include a drawstring bag for each pair.

Freaky Snapshots: This fun 4 x 6-inch postcard size photo novelty features your image superimposed into a famous location or fantasy picture of your choice, created into a postcard keepsake. **Freaky Fotos:** Your face is superimposed on the body of magazine style photo of your choice, printed in a 6 x 8-inch size.

Frozen Drinks by the Margarita Man: A great addition to campus parties, corporate mixers, Hawaiian luaus or tropical theme galas, the Margarita Man provides the highest quality and most reliable frozen drink machines for all occasions! No ice, no blender, no mess. Guests enjoy a choice of three delectable frozen margaritas, piña coladas and strawberry daiquiri style beverages with libations or non-alcoholic in a variety of 15 delicious flavors. Packages include three machines, cups, straws and attendant with supplies for up to 500 servings.

Furry Friends Forever: A mobile version of the popular stuffed animal stores, guests build their own plush bear or one of the other animals offered. Participants choose the animal casing, stuff it full of fluff and dress their pet in a shirt that can be pre-printed with a logo or slogan. All supplies can be mailed to you to run the event on your own, or our friendly staff brings everything and hosts up to a 4-hour event.

Glitter Tattoos / Mica Tattoos: A new twist on a classic novelty, Glitter and Mica tattoos *do not* involve an airbrush. The artist uses either a stencil or paints designs freehand, applying special medical grade body glue. The cosmetic glitter or mica powder is then applied, creating a tattoo that lasts from three days to a week. For those that don’t go for glitter, they can have the metallic shimmery metallic Mica Powder alternative.
